## Missionary to the Philippines

Dear Friends and Family:

February 2007

“Thy way, O God, is in the sanctuary: who is so great a God as our God? Thou art the God that doest wonders: thou hast declared thy strength among the people,” Psalm 77:13-14. Our God truly is almighty. It is exciting to serve Him and see Him do His work through me.

The Bachorik family arrived safely on January 19<sup>th</sup>. We are all very glad to have them back in the Philippines. Thank you for praying for their trip overseas. Please continue to pray for them as they study Tagalog for the next three months.

I joined a couple other ladies to attend a wake. A church member’s mother had passed away, and we wanted to reach out to the young lady. The wake took place at a Catholic chapel. That day was a Catholic feast day called the Feast of Santo Nino. Many people flocked to the parking lot, beating on drums and glockenspiels, and carrying small Santo Nino idols. They soon headed down the street in a parade, complete with a big Santo Nino on a float. We saw so many people attending the festivities, so many hearing the Catholic Mass next door, so many people following rituals that yield nothing for eternal life.

Ate Jeanne and I tried to visit Marilyn Dayao again, but she was not home when we visited. Please continue to pray for her to attend church. Mr. Gregorio has been attending church faithfully and joining visitation outreach. He shared a testimony this past Sunday about the opportunities the Lord has given him to serve. He is concerned, though, because his family is not attending church with him. Please pray for their salvation/spiritual growth.

Asenath Cadavos, Rachael Strait, and I provided special music for the 17<sup>th</sup> anniversary of Lighthouse Bible Believer’s Church in Paranaque City. We enjoyed using our talents for the Lord and look forward to future opportunities to share in other church ministries.

Please pray for the following requests:

- Physical health and strength as I continue my teaching ministries.
- New computer plug: my old one died. I ordered a new one and am waiting for it to arrive. The company said they shipped it on January 9<sup>th</sup> from Hong Kong, however, I have not seen it yet. Mail in the Philippines is often slow or misdirected.
- Furlough: additional church meetings, provision for June 2007-April 2008 ministry, safety in travel.
- BJMBC: wisdom for Dr. Kamibayashiyama, Dr. Berrey, and Mr. Bachorik as they plan for next school year.
